³²P Radionuclides					4							1							1							5							3							7									
<i>Every Thursday</i>					11							8							8							12							10							14									
(all part numbers with exceptions below)					18							15							15							19							17							21									
					25							22							22							26							24							28									
³²P Radionuclides					4							1							1							5							3							7									
<i>Every First Thursday</i>																																																	
BLU023X, NEG023X																																																	
³²P Radionuclides					11							8							8							12							10							14									
<i>Second Thursday of Every Month</i>																																																	
BLU004Z, NEG004Z, BLU504Z, NEG504Z, BLU019A, NEG019A																																																	
³³P Radionuclides						5						2							2							6							4							1									
<i>Every Friday</i>						12						9							9							13							11							8									
NEG602K						19						16							16							20							18							15									
						26						23							23							27							25							22									
																			30																					29									
³³P Radionuclides					5							2							2							13							11							8									
<i>Every Other Friday</i>					19							16							16							27							25							22									
NEG302H, NEG307H, NEG312H, NEG313H, NEG602H, NEG605H, NEG606H, NEG607H, NEG608H, NEG612H, NEG613H																			30																														
³⁵S Radionuclides					2							6							6							3							1							5									
<i>Every First Tuesday</i>																																																	
³⁵S Amino Acids					8							19							12							2							14							4									
<i>Every Third Monday</i>					29																					23														25									
³²P Radionuclides					3							7							7							4							2							6									
<i>Every Wednesday</i>					10							14							14							11							9							13									
NEX053, NEX054, NEX011, NEX053H, NEX053S, NEX055, NEX060, NEX063					17							21							21							18							16							20									
					24							28							28							25							23							27									
					31																												30																
³³P Radionuclides						12						9							9							6							4							1									
<i>Every Other Friday</i>						26						23							23							20							18							15									
NEZ080																																								29									
¹²⁵I Radionuclides					10							7							7							4							2							13									
<i>Every Other Wednesday</i>					24							21							21							18							16							27									
NEZ033, NEZ033A, NEZ033H, NEZ033L																																	30																
¹³¹I Radionuclides					8							5							5							2							14							11									
<i>Every Other Monday</i>					22							19							19							16							29							25									
NEZ035A, NEZ035H																										30																							
⁵¹Cr Radionuclides						5						2							2							13							11							8									
<i>Every Other Friday</i>						19						16							16							27							25							22									
NEZ030, NEZ030S																			30																														
⁵¹Cr Radionuclides						19						16							16							13							11							8									
<i>Every Fourth Friday</i>																																																	
NEZ147																																																	
⁴⁵Ca Radionuclides					2							26							26							23							21							18									
<i>Every Fourth Monday</i>					29																																												
NEZ013																																																	
³⁵S Radionuclides					2							26							26							23							21							18									
<i>Every Fourth Monday</i>					29																																												
NEX041, NEX041H, NEX042
